

Dr. Waheguru Pal Singh **SIDHU** is Senior Fellow at the New York University's Centre on International Cooperation (CIC).

Dr. Sidhu has researched, written and taught extensively on grand strategy, the role of the United Nations and regionalism, Southern Asia, confidence-building-measures, disarmament, arms control, and non-proliferation issues. His recent publications include: *Shaping the Emerging World: India and the Multilateral Order*; *The Iraq Crisis and World Order: Structural, Institutional and Normative Challenges*; *Arms Control after Iraq: Normative and Operational Challenges*; and *China and India: Cooperation or Conflict?* He has also published in leading international journals, including *Arms Control Today*, *Asian Survey*, *Disarmament Diplomacy*, *Disarmament Forum*, *International Peacekeeping*, *Jane's Intelligence Review*, *Politique Etrangere*, and the *Bulletin of Atomic Scientists*. In addition he also writes a regular column in *Mint* ([Visit LiveMint.com](http://www.live-mint.com)), a leading Indian business newspaper.

Dr. Sidhu was the consultant to the first, second and third United Nations Panel of Governmental Experts on Missiles in 2001-2002, 2004 and 2007-2008 respectively. He was also appointed as a member of the Resource Group setup to assist the United Nations High-Level Panel on Threats, Challenges and Change in 2004.

Dr. Sidhu earned his Ph.D. from the University of Cambridge. He holds a Masters in International Relations from the School of International Studies, Jawaharlal Nehru University, New Delhi and a Bachelor's degree in History from St. Stephen's College, Delhi University, India.
